My dear Dr. Meyer:

I finally succeeded to arrange for an appointment with Mr. Shipler; he would like to meet also Mrs. Meyer, and if it is possible that both of you can go to see him, he expects you on Monday, July 10, at his office, 309 West 19th Street, at 4:30 p.m. If, however, Mrs. Meyer could not go with you, and you would go alone, the appointment is for Monday, July 10, at 11:00 a.m.

Sincerely yours,

*T. Schaufuss*
