My dear Mrs. Schaufuss,

Being about to send the bronze to Dr. Michel I cannot find his address. Unfortunately, I do not know any different way of making him get the parcel than in that I send it to you and beg you to alter the address. I am sorry that I must bother you again, but, as I wrote above, I did not know what else to do.

I thank you very much and send regards from all of us.

Yours very sincerely,
