My dear Mrs. Schaufuss,

Enclosed I send you copies of two letters one of which addressed to Dr.Kirsch, the other to Mr. Tannenbaum. These letters will inform you about my yesterday's conversation with Dr.Kirsch.

If you do not want my letters to be sent to you, be kind enough to give me the case-worker's name which I do not know. I did send the letters to your address in order to keep you informed on the proceedings.

Kind regards of all of us.  
Very respectfully yours,
