

Dear Mother 1-11-49
9 AM
So glad you have someone
to help you. Thanks for getting
me an appointment with Dr. [unclear]
I should be there in plenty
of time.

Tomorrow an exam. My
life is brightened by the
fact that Eugene Steiner
has left school.

10 PM
I'm on my way home to
bed after Margaret Mead.
I'll study early tomorrow
for my exam. I have the
comforting feeling that I
will have crunched
adequately.

About those black
straps. If they belong to
me, I don't need them
but I can't imagine how
they got there.
Much love M.

Dear Mother 1-13-49
I had the most delightful
final exam yesterday. Prof.
Baron asked us questions
orally! (I passed!)

The radio repairman
came yesterday and Joy
and I happily started
the evening with
music again. Then Eng
telephoned; he is starting
to Mexico today, to stay
for 2 months so we
went over to see him.

Janet also called
up last night and
sounded very friendly
and anxious to see me.
She is going over Saturday
to play the Singophone
alone M.
