

Wm. H. Say that I was b. ?

Yes R. She did.

R. took it all in good humor ^{interested us} ^{shepherded us across} ^{collected us} to the Pizza shop, ordered lunch, went to the Charlesbank bookshop to inspect a book ^{not available at library} which N had said was not worth the \$9.-. She ~~spent time~~ ^{arrived at} the same conclusion and came back well satisfied with her decision. ~~Nothing at all~~

 During the end of day things got a little out of hand with N sprinkling water on R's desk and B's desk. I did not blow up at them but R did listen to me when I read aloud from The Treasure Seekers, a franchise ~~book~~ novel from my childhood and, one beloved by the author of H. Potter.
